

BABY WEEK Cheshire and Merseyside

14-20 November 2022

- Promoting the importance of women's health
- Working together to give babies the best possible start in life
- Bringing together local organisations, colleagues, families and caregivers

Get involved and find out more:

07708 428096

A collaborative platform, designed to highlight health inequalities where they start, in the womb and in the early years; dedicated to finding solutions together.

Brought to you by Improving Me, NHS Cheshire and Merseyside Women's Health and Maternity (WHAM) programme, in collaboration with Baby Week Bradford and Baby Week Leeds.
